PRESIDENT DESK

I am glad that our APS team Putting out the third edition of our college news letter as a part of continuous organizing ongoing endeavors.

There is strong connection between work & study of engineering field syllabus as per the MSBTE rules and regulation which is valuable for future of engineering student.

Our AIM is that the environment of the college is help full and ecofriendly for the students.

I am sure my committed faculty and staff will strive hard to transcend you all in to prospective young Engineer's with globally skill & compatible knowledge. I am pleased to note the progress that we are making in the direction of college one the best in Marathwada.

With Best Wishers.

Dr. Sanjay Rodge

PRINCIPAL DESK

I am very much happy to present the first volume of the newsletter of APURVA POLYTECHNIC College of engineering field for the year of 2023-24. Newsletter have been developed to provide timely updates of various activities in the college as well as news related to the engineering field and recruitment of the diploma engineers in various field.

This newsletter talks about the ongoing events like that co-curricular and extra-curricular activities, events organized by college at state level and college level.

I along with my faculty intended to build a concerned foundation for the student which will encourage them to achieve success in the engineering field.

Prof. Ashok R. Bodkhe
